THINGS YOU MIGHT LEARN FROM **L.I.N.K.S.**

MARINE TRIVIA

Did you know that 29 Palms is actually the largest base by size in the Marine Corps at 931 square miles.

MONEY

There is a pay associated with your Marine being away from you, it's called Family Separations Pay and it starts on the 31st day they are away and is retroactive.

DEPLOYMENT

It is common when your Marine is about to leave to want them to leave and feel a sense of "lets get this over with" in addition to sadness or worry.

RESOURCES

Do you know there is an organization out there that will help with adoption services, even offering access to grants? Military One Source has that and so much more.

BLOOM

What about a list of places to make friends? Have you tried Stroller Warriors, MOPS, maybe the dog park? Hear from others where they found their best friends in this life.
