Parent Advisory Board

Laulima held its quarterly PAB meeting on September 20, 2017. Thank you to those parents who were in attendance. For those that couldn't make it, here are a few things we went over:

- ◆ The annual Headquarters Marine Corps CYP Inspection was conducted 11-15 Sept. The program scored 259 points out of a possible 271, with the following strengths: Classroom environments provide children with developmentally age-appropriate opportunities and challenges. Kitchen very clean and organized. Teaching staff are actively engaged with children and relate to them in positive ways and appropriate guidance to individual children.
 - ◆ CYP closes at 12 noon on 6 Oct for all hands staff Training .
- ◆ We are currently looking for a PAB Chairperson. If you are interested please stop by the front desk for more information.
- ◆ We have planned a host of fun-filled events over the next few months and encourage parents to take an active role. Be sure to keep an eye out in your child's classroom for informational flyers.
 - ◆ The next PAB meeting will be held in December 2017.
