HAPPY BIRTHDAY TO ALL OF OUR FAMILIES AND STAFF THAT ARE CELEBRATING THEIR SPECIAL DAY IN JULY

Laulima
Child Development Center
Bldg. 6782
808-257-2038
Operation Hours: 0600-1800

Parents please check your child's daily sheets!
Important information concerning your child is noted on the sheet.

Reminders:

- Please show your ID to both front desk and classroom staff.
- Swipe your child in/out each day.
- Sign your child in/out in the classroom each day.
- Please ensure your child has enough diapers, wipes, & extra clothes.
- Water Day is every Friday. Please remember to grab your wet clothes! Thank you.
- Laulima CDC has a nursing room available for mother's to utilize, please see the front desk for more information.

DID YOU KNOW ?

A child with a temperature of 101°F must be picked up within 1 hour of parent notification. If no contact can be made, emergency contacts will be called.

*The child sent home due to fever must stay home the following day and be **fever free** 24 hours without the use of medication before returning to the center.*

Families, we want to start to prepare in May, as June marks the start of hurricane season in Hawaii. Hurricanes combine the triple threat of violent winds, torrential rains and storm surge. Each of these by itself could pose a serious threat to life and property. Taken together they are capable of causing widespread destruction.

Here are some tips to help you develop a 7-Day emergency Supply Kit...

- **Water:** 1 gallon of water per person, per day, for 7 days for drinking and sanitation.
- **Food:** Non-perishable food that does not require cooking. Popular local foods such as spam, corned beef, and Vienna sausages.
- **Eating utensils:** Plates, mess kits, forks, and chopsticks. Don't forget a non-electric can opener for canned foods.
- **Radio:** Battery-powered or hand crank radio with NOAA Weather alert.
- **Light:** Flashlights or portable fluorescent lights.
- **Spare batteries:** Check supply and restock annually.
- **First Aid:** Ensure a stocked kit and consider enrolling in a certified first aid course.
- **Whistle:** Used for signaling for help. A whistle carries much farther than the human voice, and uses less energy than yelling.
- **Dust mask:** Helps to filter contaminated air.
- **Sanitation:** Moist towelettes, garbage bags, and plastic ties for personal sanitation.
- **Tools:** Wrench or pliers to turn off utilities, duct tape.
- **Maps:** Local area maps.
- **Prescription:** Special medications and glasses.
- **Baby:** Infant formula and diapers.
- **Pets:** Spare food and water.

1 CUP OF RASPBERRIES

1 CUP OF BLUEBERRIES

YOU CAN USE ANY FRUIT TO YOUR LIKING

BE CREATIVE AND ENJOY !

Something Fun To Do

Pom-Pom American Flag Craft

Sometimes using a regular paintbrush can get boring so grab some clothespins and pom-poms to make a cool American flag craft! This is fun and easy for kids to do on the 4th of July. You will need:

- ◆ 3 Clothespins, 3 pom-poms and White paper.
- ◆ Paint — red, white and blue
- ◆ Have the kiddos pinch the pom-pom in a clothespin and dip in blue paint

Have them stamp dots to make the American Flag, let the blue paint dry and then add the white dots to show the stars.
