Dear Parent,

SUBJECT: FEDERAL IMPACT AID PROGRAM SURVEY CARD

On September 5, 2018 all public schools in the State of Hawaii will distribute Federal Impact Aid Program Survey Cards. Federal Impact Aid reimburses school districts that (a) lose tax revenues (income, sales, property tax) due to a federal presence, and (b) incur the cost of providing educational services to federally connected students. The amount of Aid Hawaii receives is determined by the number of eligible cards parents complete and return to the school. Your participation is the only way to ensure Hawaii's Department of Education receives the proper amount of federal aid dollars.

I encourage you to complete the survey card as soon as it is received and return it to your child's school promptly. A completion rate of 100% is critical in calculating the federal funds Hawaii receives to offset the cost of educating our students. Failure to return the survey card could result in the loss of millions of Federal dollars that would otherwise be used to benefit our Marine Corps Base Hawaii (MCBH) students at schools both on and off base.

If you are unsure of the Address of Federal Property that is required on the survey card, please refer to the backside of this memo for a listing of MCBH addresses. If you have any questions regarding the survey card, please contact Ms. Amy Solomon, MCBH School Liaison at (808) 257-2019.

I thank you in advance for your support.

Sincerely,

D. J. WADSWORTH
Chief of Staff
