

**NKO is a one-stop knowledge portal for Navy and USMC education, training and professional growth.**

NKO is the Navy's knowledge portal, enabling Navy/USMC education, training and professional growth management for personnel throughout the fleet. Sailors and Marines can link to vital career information, education and training resources, college programs, technical systems resources, communities of practice and knowledge centers, academic and technical libraries, and other professional and personal development resources.

College credit for Navy and USMC training is applied to the Sailor and Marine American Council on Education Registry Transcript (SMART), available through the NKO website. The Navy Education Resource Center provides access to study guides and practice exams for the ASVAB and GED tests, as well as CLEP, SATs and much more.

**ACCESSING NKO**

NKO can be accessed 24 hours a day, 7 days a week, from work or home.

You must have an active user account. You can create an account by clicking on "NKO Registration" under "New Users."
