(2) Acknowledgement of Student Responsibilities
(3) Testing/Academic Information
(4) Calendar Year (CY) 2021 Schedule

1. The Military Academic Skills Program (MASP) is available at no cost to all Commands. Designed to improve basic academic skills, this program is available to both career Marines and those Marines transitioning back into the civilian community. MASP students gain proficiency in reading comprehension, written and verbal communication, mathematics and testing.
2. MASP is conducted during normal daytime duty hours, with curriculum and instructors provided by the Hawaii State Department of Education's Waipahu School for Adults - Windward Campus (WSA).
3. Commands are encouraged to refer Marines in the following categories:
 - a. Enlisted personnel with a General Technical (GT) score of 99 or below
 - b. Enlisted personnel who score below a 10.2 on the Test of Adult Basic Education (TABE)
 - c. Enlisted personnel who seek improved work performance, qualification for a lateral MOS move, specialized school or officer candidacy, or for success after active duty service
4. Marines with a GT score of 99 or below are given priority placement. A GT score of 100-119 will be placed on a standby status. MASP is not designed for those with GT scores of 120 or above; those Marines are encouraged to use active duty Tuition Assistance (TA) and take CLEP & DSST exams. The Online Academic Skills Course (OASC), the online version of MASP, is also available.
5. Applications are accepted in the following priority: ① active duty Marines, ② service members from other branches, ③ family members, and ④ on-base DoD civilians.
6. Failure to comply with all requirements in this information packet may result in the applicant's disqualification to participate.
7. The Education Center's accountability of participating Marines at all times is paramount.

3. PRE- AND POST-ASSESSMENT TOOL: All MASP students are required to take the eCASAS exam on the first day and on the last day of MASP. This is how MASP tracks improvement.
4. DRESS CODE: Monday through Thursday, attire is appropriate military uniform of the day. On Friday, students may wear appropriate civilian clothing, per MCB Hawaii policy; shorts and slippers/flip-flops, however, are prohibited.
5. ATTENDANCE: Due to the accelerated nature of MASP, 100% attendance is essential for all participants. Unit 72s and 96s do not apply while attending MASP. No class is conducted on federal holidays.
6. UNIT DUTY: MASP is an intensive academic program with required homework. Therefore, we respectfully request that no unit duty or activities that will interfere with student participation or study be scheduled Sunday through Thursday evening.
7. COST: There is a one-time, non-refundable \$40 cash enrollment fee paid to the Waipahu School for Adults – Windward Campus, collected on the first day of class.
