## DANTES Reimbursement Process

DANTES automated the exam reimbursement process, making it easier and faster for members to apply online and receive repayment for select exams. While Service members can still take paper-based ACT and SAT exams at DANTES test sites, they are now eligible to be reimbursed for ACT, SAT, GRE, GMAT, GED and PRAXIS exams at National Test Centers. If taking exams at the DANTES Test Center, service members are authorized ONE for ACT, SAT, GRE, GMAT, GED and PRAXIS per lifetime of service. If exams are taken at the National Testing Center, service members are authorized up to two ACT and two SAT exams per lifetime of service when taken at an ACT or SAT National or International Test Center; testing conducted at commercial locations not on the military installation, and may be funded via after-the-fact reimbursement. Civilians are not eligible for reimbursement by DANTES.
